

Wondermill Junior Deluxe Grain Mill Group Order

FASTER and MORE EFFICIENT THAN OTHER HAND MILLS - The Wondermill Junior Deluxe hand crank grain mill can grind up to 1.25 cups of regular, coarse, or fine flour per minute and produces 65% more than other more expensive hand operated grain mills. Large hopper holds over 1 quart.

HEAVY-DUTY CONSTRUCTION; LIFETIME DURABILITY - Built to last a lifetime of use with a heavy duty unibody construction made from high-quality aircraft aluminum and super strong epoxy. Easy to clean and almost indestructible. Weight: 14 lbs. Color: red.

VERSATILE and CONVENIENT – Works with all types of grain (dry, hard, soft, wet, oily) and spices. You can crack grains or make fine pastry flour. The special Masa/Nut butter Auger makes beautiful masa for tortillas and tamales and fresh nut butter.

STRONG TABLE MOUNT; STAINLESS STEEL and STONE BURRS SETS - Comes with a double clamp mount that securely attaches the mill to a table or counter; no drilling needed.
